

# **FY2006 SMALL RURAL SCHOOL ACHIEVEMENT PROGRAM (SRSA) ELIGIBLE LEAS**

The U.S. Department of Education (ED) has certified that the LEAs listed below are eligible to participate in the SRSA Program. This program provides each LEA with eligibility for both Alternative Use of Funds Authority and for a direct grant from ED. The SRSA Program Direct Grants are available to applicants through the federal e-Grants System (<http://e-grants.ed.gov>) and were due **June 17, 2005**. LEAs that are highlighted in yellow **were required** to apply using the e-Grants system to receive funds for the next year. Highlighted districts are those that are newly eligible for the program this year, or districts that were eligible for the program last year, and did not apply or receive funds. **Note: 13 newly eligible LEAs were added after the 6/17/05 application due date. These LEAs were notified by the federal REAP office of their eligibility and they are working with them to get applications in – even though it is past the due date of 6/17/05. Due to their “for-profit” status, 6 LEAs were removed from the original eligibility list posted in June 2005.** Call Nadine Groenig at 602-542-3538 with any questions.

The Alternative Use of Funds Authority, referred to as REAP-Flex, has been continued in Title VI of the NCLB. To participate, LEAs must complete the REAP-Flex Authority table in the Supplemental Application of the NCLB Consolidated Application and describe REAP achievement goals in the Activities and Program Description Section of the NCLB Final LEA Consolidated Plan. The LEA must identify the program(s) from which the funds are being removed and the programs to which the funds are now being applied. Since participation is limited to the LEAs listed below, prior approval as part of the NCLB Consolidated Application is required.

- Remember, it is possible for the funding formula to yield a grant award of \$0. However, an eligible LEA may still exercise REAP-Flex authority.
